

## 3eBin™ - Gravity bin accessories

---

### GRAVITY BIN FUNNEL:

**1.** Remove lid.

**2.** Fit funnel behind front wall and in front of back wall of bin. You can now remerchandise your bin.

### FLOW CONTROL INSTRUCTIONS:

**1.** Insert the tool into the hole of the bin front and into the encircled slot.

**2.** To achieve the greatest possible flow, push the small black device to the front of the ridge it sits on.
